Andrew –

We have conferred with national counsel regarding your offer to inspect the summonses. There should be no need for us to inspect them. Our clients' answer and counterclaims speak for themselves.

Subject: Mey v. Pintas

Having read the counterclaims, there appears to be continued fascination with the embossed seals on the summons. So I will extend this offer to the group: anyone is welcome to visit my office and inspect the summons to satisfy themselves that the summons are indeed sealed. Any takers?
